The DPA assistance under the HOME+PLUS program is a percentage of the total first mortgage balance rounded up / down to the nearest dollar.

The DPA assistance under the HOME+PLUS program is provided in the form of a soft second mortgage with a three year forgivable term.

- ◇ Three-year, no interest, no payment, deferred soft second mortgage, forgiven monthly at a rate of 1/36 over the term of the lien. The DPA second mortgage is fully forgiven after the 36th month (3-years). The homeowner can choose to refinance (or sell) their HOME Plus first mortgage at any time, however if a refinance (or sale) occurs in the first 36 months the DPA 2nd lien would need to be paid (note amount less the number of forgiven months from closing date).

The AzIDA does not subordinate to accommodate a refinance or provide exceptions to the DPA repayment terms.

**DOWN PAYMENT
ASSISTANCE
(CONT'D)**

The DPA may be used to fund up to 100% of the Borrower's cash requirement to close, including the down payment, closing costs, pre-paid items, upfront borrower paid Mortgage Insurance and other related Mortgage Loan fees and expenses. No portion of the assistance funds can be paid to the Borrower unless the Borrower is being reimbursed for an overage of his/her earnest money deposit and any pre-paid expenses, to the extent the minimum Borrower contribution has been satisfied, if any. Principal reduction is allowed.

Lenders table fund the DPA at closing, on behalf of the AzIDA, and will be reimbursed upon purchase of the HOME+PLUS Mortgage by U.S. Bank.

The lender must receive a compliance approval from the Compliance Agent, Hilltop Securities Inc., for the loan to be eligible for purchase by the Servicer

INCOME LIMITS

The income of all **borrowers** expected to both live in the residence and who are credit qualifying/on the Note must be considered. For compliance purposes, the borrower(s) income calculation is based on the respective agency income guidelines for the underlying mortgage (FHA, VA, USDA-RD, Freddie Mac HFA Advantage and Fannie Mae HFA Preferred) and as disclosed on the final, signed and dated URLA. Household income (other than USDA loans) is NOT used to determine **HOME+PLUS** income limit eligibility. To materially under calculate income or willfully omit disclosure of a borrower income violates the spirit of the program. **Lenders will be responsible for ensuring that the income meets program guidelines.**
