Arizona Is Home Mortgage Assistance Program

... a mortgage revenue bond financed product

The Arizona Is Home program is administered by the Arizona Industrial Development Authority (Arizona IDA), a nonprofit corporation and political subdivision of the State of Arizona, formed by the **Arizona Finance Authority**.

- Borrowers receiving assistance through the Arizona Is Home Program, are receiving the benefit of a lower mortgage interest rate than is customarily available on other mortgage loans.
- The Arizona Industrial Development Authority (Arizona IDA) has sold tax-exempt mortgage revenue bonds to a private investor who receives a lower interest rate on their investment than is customarily available on other investments. The investor buys the bonds because the interest earned is tax-exempt. Because the investor does not pay tax on the interest earned on the bonds, the federal government considers this lost tax revenue.
- Tax-exempt means that the IRS (Internal Revenue Service) Code governs the program. Some of those additional program requirements are notated within this power point. See full Arizona IDA Arizona Is Home Program Guidelines for complete detail.

- When a borrower receives a first-time homebuyer loan with the Arizona Is Home Program, they are receiving the benefit of a lower mortgage interest rate than is customarily available on other mortgage loans. The Arizona Industrial Development Authority (Arizona IDA) has sold tax-exempt mortgage revenue bonds to a private investor who receives a lower interest rate on their investment than is customarily available on other investments. The investor buys the bonds because the interest earned is tax-exempt. Because the investor does not pay tax on the interest earned on the bonds, the federal government considers this lost tax revenue. Tax-exempt means that the IRS (Internal Revenue Service) Code governs the program. Congress mandated recapturing some of the losses when a homebuyer who has received a first-time homebuyer loan in this program sells their home in the first full nine years of ownership and is fortunate enough to have substantial increases in income and appreciation of the value of their home.
 - Arizona IDA will reimburse any borrower who sells his or her home and is required to pay the federal recapture tax.
 - Please review *Recapture Tax PowerPoint Training deck* for greater detail.
 - Please see the *Arizona IDA Arizona Is Home Program Guidelines* for complete recapture tax guidance.

Eligible borrowers must be a First-Time Homebuyer. A “First-Time Homebuyer” (FTHB) means , except for borrowers purchasing under the * Veterans Exception, the borrower must have had no ownership interest in a principal residence at any time during the three (3) year period prior to the date on which the Mortgage Loan is executed.

- Documenting a borrower’s FTHB status:
 - **CREDIT REPORT:** Borrower(s) three (3) years repository of current credit report(s) without a mortgage loan, OR.
 - **FRAUD REPORT:** A complete, ALL pages, copy of a Fraud Report for each borrower, with a three (3) year look back to confirm no previous ownership, OR
 - **VERIFICATION OF RENT (VOR):** Borrower(s) verification of rent (VOR) for the three (3) year period prior to the date on which the Mortgage Loan is executed.

* Veterans are not required to be 1st time homebuyers

The DPA assistance under the Arizona Is Home program is provided in the form of a second mortgage with a forgivable term.

The Arizona IDA does not subordinate or provide exceptions to the DPA repayment terms.

- The Program will provide down payment assistance (DPA) in the form of a second mortgage loan (the “DPA Second Loan”).
- The DPA Second Loan will have a five-year term, a 0% interest rate, no monthly payment and be subject to a second mortgage lien; the principal of the DPA Second Loan will be forgiven after the 60-month anniversary of the original date of the loan. The Arizona IDA lien **MUST** be in a second lien position.
- The DPA is equal to 4% of the **TOTAL** First Mortgage Loan principal amount, rounded to the nearest dollar.

- All existing, approved HOME Plus mortgage lenders are eligible to participate in the Arizona Is Home program.
- Since mortgage revenue bonds are used for the financing of the Arizona Is Home program, an additional addendum to the existing mortgage origination agreement applies. By participating in the Arizona Is Home Program, the lender acknowledges the terms and conditions of this addendum. **This addendum can be found at the HomePlusAZ.com website on the “Arizona Is Home Lender Training” page.**
- The Arizona Is Home has a specific funding allocation. An accounting for remaining funds will be available via our HTS/Emphasys-Lender Online system, under the “Available Funds” tab.

Existing HOME Plus approved lenders can access the program through the HOME Plus DPA online platform. Except for a pre-closing review by Arizona IDA / HTS, the process is similar to the HOME Plus DPA program.
